

STATE OF MONTANA

Governor's Proclamation

I hereby order all flags flown in the state of Montana to be displayed at half-staff on April 18th, 2019 in honor of all Montana firefighters who have lost their lives from a job-related illness in the line of duty.

Firefighters across Montana put their lives in danger and face increased healthcare risks each and every day. With the passage of the Firefighter Protection Act, we are finally showing firefighters the respect and appreciation they and their families deserve. For every firefighter of today and for those who will one day be called to service, this law will protect their healthcare and the well-being of their families when a job-related illness occurs.

Dated this 17th day of April 2019.
